

# Brittany J. Teller

Email: [Brittany.Teller@wustl.edu](mailto:Brittany.Teller@wustl.edu)

<http://www.biology.wustl.edu/faculty/knight/teller.html>

## Education

### **Washington University in St. Louis**

Bachelor of Arts Candidate, May 2008

Major in Environmental Studies, Ecology and Biology Track, Minor in Writing

*Advanced coursework:* Population Ecology, Experimental Field Ecology Laboratory, Senior Seminar in Environmental Studies, Community Ecology, Practical Skills in Environmental Biology Research, Biological Conservation, Biogeochemistry, Paleoenvironmental Reconstruction

### **Illinois Mathematics and Science Academy in Aurora, Illinois**

High School Graduate, May 2004

## Publications

Pardini, E. A., B. J. Teller, and T. M. Knight. Consequences of intraspecific competition for management of a stage-structured invasive plant (*Alliaria petiolata*). In review.

## Presentations

- Ecological Society of America Annual Conference, 2007- Poster Presentation;
- Undergraduate Research Symposium, 2006- Poster Spotlight Presentation;
- Howard Hughes Medical Institute SURF Presentations, 2006- Poster Presentation

## Research Experience

### **Undergraduate Research, Tyson Research Center**

Dr. Tiffany M. Knight, Dr. Jonathan Chase, Ecology

St Louis, MO

Summer 2007

### **Lab Technician, Washington University**

Dr. Tiffany M. Knight, Ecology

Spring 2006- Current

### **Undergraduate Research, Tyson Research Center**

Dr. Tiffany M. Knight, Ecology

Summer 2006

### **Lab Technician, Washington University Medical School**

Dr. Robert Wilkinson, Neurophysiology

Fall 2004- Fall 2005

## Awards and Fellowships

- 2007 Lennette Summer Undergraduate Fellow;
- 2007, 2006 Environmental Studies Summer Undergraduate Research Award;
- 2006 Howard Hughes Medical Institute Undergraduate Travel Award to present at Ecological Society of America Annual Meeting;
- 2006 Howard Hughes Medical Institute Summer Undergraduate Research Fellowship

Washington University

## Volunteer Work in Science Education

- 2007 ExxonMobil Bernard Harris Summer Science Camp at Washington University, Volunteer Field Leader;
- 2007 Washington University Science Outreach Life Sciences for a Global Community, Masters of Science for high school teachers, Volunteer Field and Statistics Leader
